

GLAVAL UNIVERSAL

SAFETY AND COMFORT, INSIDE AND OUT

The all new Universal is the perfect balance of safety, durability and value. The passenger compartment is surrounded by a fully welded aluminized steel structure. Standard 5/8" marine grade plywood flooring, stainless steel exterior screws and a fully undercoated chassis protects the bus from the most extreme conditions. The newly redesigned exterior features laminated straight sidewalls and a new one piece fiberglass front and rear cap, making it as

desirable as it is durable. If dependability and safety is your top priority, the new Universal by Glaval is exactly what you are looking for. Built on Ford's E-series chassis, the Universal has proven itself to be the vehicle of choice for the most demanding of customers. Glaval prides itself with quality fit and finish along with the flexibility to meet its customer's ever changing needs.
