\* This odometer reading was not used in this calculation because the difference was too small or it is in kilometer. When a reading difference is small, it is due to either a data entry error of the date of the odometer or a rounding of the odometer and not likely due to a true rollback.

## Open Recall Check

**Your Vehicle Checks Out:** AutoCheck found no open recalls reported by the vehicle manufacturer. Not all open recalls are reported to AutoCheck.

## Service And Repair History Check

**Information Reported:** There have been some service and repair information reported from dealers or service shops.
